

As Carlisle Events prepares for the start of car show season and Spring Carlisle April 22-26, we continue to monitor reports by the Centers for Disease Control and Prevention, World Health Organization and local authorities regarding the COVID-19 outbreak, also known as the Coronavirus. This event and all others on the schedule will go forward as planned at the Carlisle PA Fairgrounds and neighboring facilities, while also making top priority the health, safety and wellbeing of our guests, business partners and staff members.

Events at Carlisle are a destination for car lovers from around the world, so before traveling, we encourage attendees to be vigilant by staying informed and aware of relevant health announcements and updates.

**Carlisle Events is taking the following measures within the Carlisle PA Fairgrounds and Carlisle Expo Center in preparation for our 2020 event season:**

- Carlisle Events and its neighboring properties will be adding additional sanitizer stations to the food court, entry gates AND guest services.
- ALL ticket takers and hand stampers will be offered gloves and hand sanitizer that is 60% (or greater) alcohol.
- Carlisle Events has secured a disinfectant from the suggested CDC list that quickly kills viruses and bacteria. This, combined with portable hand sprayers will be utilized in bathrooms, the food court, vendor services, guest services and within the Carlisle Expo Center as part of auctions and third party events.
- Make available disinfectant wipes and sanitizer at ticket booths, vendor services, guest services and the Carlisle Expo Center.
- Communicate these measures to our guests, staff and business partners.
- Per CDC guidelines, consider the following:
  - Wash your hands with soap and water for at least 20 seconds.
  - Don't shake hands with anyone.
  - Avoid close contact with people who are sick.
  - Cover a cough or sneeze – preferably with a disposable tissue.
  - Avoid touching your face – especially your eyes, nose, and mouth.
  - Clean and disinfect frequently touched objects.
  - Stay home if you have flu-like symptoms.
